

**AC Airways Ltd. is offering a one day Pilots 24 Month Re-Currency / Update Training Course.
Everyone is welcome to attend!**

Date to be
Announced

Canadian Air Regulations state in part:

No holder of a flight crew permit or licence shall exercise the privileges of the permit or licence in an aircraft unless the holder has successfully completed a recurrent training program in accordance with the personnel licensing standards within the 24 months preceding the flight.

AC Airways Ltd. is a locally owned and operated family business based at the Langley Regional Airport. We are now pleased to offer a Transport Canada approved 24 month re-currency and update training course.

*Course start time 09:00 finish 16:00.
Please bring your pilot licence and logbook.*

This course offers recurrent and update training in the following areas:

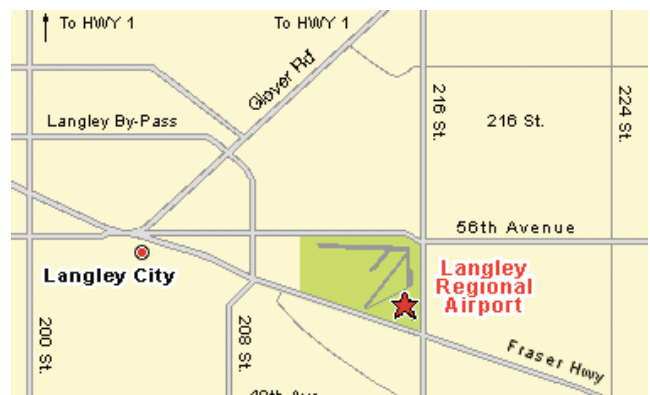

- Local Airspace and flight planning.
- Mountain Flying and Pilot decision making.

Guest Speaker -
Flying to the USA and Canada.

All for just \$99 per person, including lunch, desert and coffee. Call NOW to reserve your seat for this unique experience.
Tel: 604 533 4400

Course Location:
Bldg. 41 - 21330 56th Avenue,
Langley, B.C. V2Y 0E5
(Next to Harbour Air)
